

6,500 on Hand As Sandusky LEADING OHIO TEAMS Whitewashes Harding 25-0 KEEP SLATES CLEAN

Bluestreaks Show Too Much Power and Speed for Presidents, Scoring in First Three Quarters.

By Bill Coulter

The Sandusky Blue Streaks truly lived up to their name last night as they streaked through the hapless Harding Presidents to the tune of 25-0 at Strobel field in Sandusky before 6,500 peepin' followers. The Blue Streaks had the situation well in hand all the way and were never once in serious trouble.

Although the Prexies were unable to stop the fast Sandusky runners and were unable to score themselves, they did not show any signs of giving up and their spirit ran high throughout the entire contest. The hosts were able to score in every period but the final stanza. Sandusky wasted very little time in reaching pay-dirt as right half Groom skirted around end to score from the Harding five yard stripe early in the first period. The Blue Streaks got off to a bang in the second quarter when Brash tossed a yardage touchdown pass to end Dick Schnitter, brother of Ohio State's Max. Sandusky added another tally before first half activities were brought to a halt, when Full-ton Graves crossed into the end zone from the Prexy 14. The score at the half stood 18-0 in favor of the Blue Streaks.

Sandusky racked up their final score in the third quarter on a completed touchdown pass from Brash to Blair. This time Benner's place kick was good and the Sanduskians held a 25-0 margin which they held throughout the rest of the game.

First Quarter
Weber received the opening kickoff for Harding and brought it back to the President's 42. However, after Harding's next few plays they found themselves four yards behind where they started and were compelled to punt. Sandusky promptly brought the ball down to the Harding 32. Blair went to the 20 on the next play where Hill finally stopped him. The Blue Streaks then drove for a first down to the Harding nine yard line. Brash drove through to the five on the next play. Groom went around end for the first tally of the fray. Benner attempted the conversion but his boot was low and wide. Harding received the kickoff but was unable to advance and Taylor punted to the Sandusky 41. Bob Short brought down Groom after the latter had picked up ten yards just as the first period ended.

Sandusky kept right on driving and scored early in the second frame. Brash threw a pass to Schnitter on the Harding 18, where Dick Taylor spilled him. In a couple of plays the Blue Streaks had driven to the Harding three. Brash then leaped into the air and drilled a short pass which Schnitter hauled in for the second Sandusky tally. This time Benner's attempt was blocked by Dave Lee and the hosts were resting with a 12-0 lead.

Newark Tops Zanesville, Remains in Title Role.

By The Associated Press

Powerful Ohio high school football teams continued their winning ways last night as many eleveners neared the close of their regular season.

Newark crushed Zanesville, 20-7, to remain a hot Central Ohio contender for the mythical state crown.

It was little Copley, however, another undefeated school, that put on an amazing offensive show. It ripped Bath, 25-0, literally scoring every time they got the ball.

The Carey-Upper Sandusky battle was a contest between two undefeated teams. The Sanduskians finished up on the long end of a 13-0 score to mark up their ninth straight win.

Cleveland Heights clinched the Lake Erie league championship by downing Cleveland Shaw, 13-0. In another Erie league game, inspired by a bitter traditional rivalry, Lorain drubbed Elyria, 26-0.

Four-times-tied Massillon kept its unbeaten record untarnished by whipping Cleveland East Tech, 26-6. Canton Lincoln, tied twice, also unbeaten, squeezed out a 7-6 victory over its inter-city rival, Canton Timken.

The East Liverpool Potlatchers pressed the fans as they trounced Niles, 35-0. Shadyside's 14-13 win over Bridgeport may not have decided any state title but the fans had something to talk about. During the game there were two short circuits in the lighting system, one setting fire to the press box, one because of an offside penalty against Sandusky. This did not stand in the Blue Streaks' way, however, as Brash passed to Groom on the Harding 14, from where Graves swept the end to score again. Again Benner's placement was no good and Sandusky fattened their margin to 18-0. Harding made a desperate attempt to score before the end of the half. Ralph Weber completed two passes to Bill England bringing the ball all the way to the Sandusky 27. The Prexies next pass was intercepted by Graves on the ten yard line and the half ended.

The Sandusky high school band performed during the half. Their special attraction was the commemoration of Armistice day.

Won't Take It Easy
The Blue Streaks did not lose their scoring habits during the half as they bounced right back for an early third period tally. After Groom returned Harding's kickoff to the Sandusky 38, Brash tossed a pass to Blair on the Harding 48 where Smith and Zeisler stopped him. Graves went for a first down to the Prexy 38 before England brought him to test. The Blue Streaks immediately drove for another first down to the Harding 28. On the next play, Brash tossed a pass to Blair, who trotted about 20 yards into the end zone for the fourth and final Sandusky touchdown. This time Benner's placement split the uprights but the Blue Streaks out in front 25-0. Sandusky had intentions of scoring again in the third quarter but their drive was finally checked on the Harding 14. The final period saw the teams trading possession of the ball several times. Sandusky intercepted a Prexy pass on the Harding 33. A few plays later, Lee intercepted a Blue Streak pass on the 50 and ran to the Sandusky 35. However, Harding was penalized on the play and moved the ball back into their own territory. Harding was forced to punt and after a couple of Sandusky first

downs, Harding again took over on downs on their own 37. Taylor completed a pass to Jack Leffler on the Sandusky 46 from which point the Presidents were unable to advance. The last play of the game saw Ross intercept a Harding pass on the Sandusky ten.

WARRICK, RALPH BELLAMY AND ANNE BAXTER

Boyer Plays Roll at Ohio

Story of Spanish Revolution at Local Theater, Starting Tuesday.

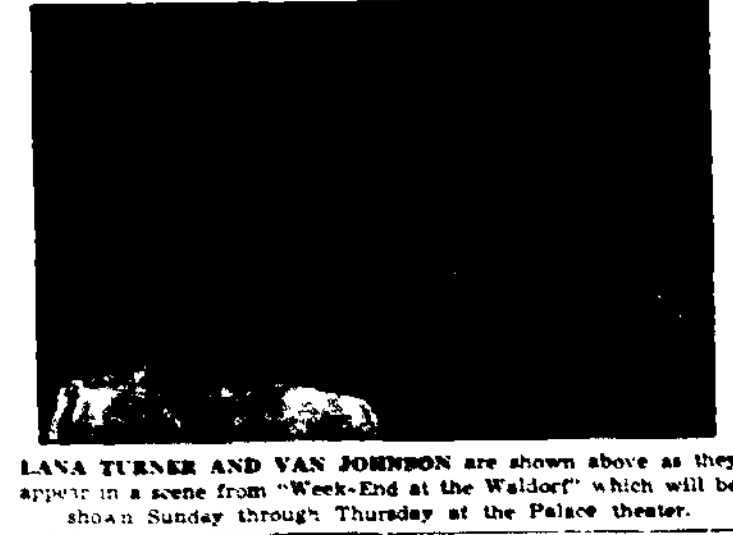

"Guest in the House," starring Anne Baxter and Ralph Bellamy, a new picture through Monday at the Ohio theater.

The strange story of a young woman and her almost destructive influence on the family with whom she is vacationing is the theme of this film, which stars Anne Baxter as Evelyn Heath, the guest. She has many strange and a difficult trip. She is liberally brought sorrow and dissonance to the once happy home of her hosts. Her psychopathic personality piles suspense upon suspense, and Ralph Bellamy, who portrays Douglas Proctor, an artist, sides in with Evelyn against his wife.

"Confidential Agent" starring Charles Boyer and Lauren Bacall, with a supporting cast of Kaena Paxson, Peter Lorre, Victor Francen, and George Coulouris, will be shown for seven days starting Tuesday.

This picture is concerned with the dramatic adventures of the Spaniard, Don Carlos, played by Charles Boyer, an ex-musician, who is employed by the Spanish Republican party as a confidential agent. He is ordered to London on a special mission concerning the purchase of large stores of British coal and he sets out on an incredible voyage.

At the beginning of his voyage, he meets Rose Cullen, played by Lauren Bacall, daughter of British nobility, who is attracted to the mystery surrounding the man and later falls in love with him. They are subjected to numerous dangers and Denard, himself, encounters beatings, robbery and finally murder, before his journey comes to an end.

LANA TURNER AND VAN JOHNSON are shown above as they appear in a scene from "Week-End at the Waldorf" which will be shown Sunday through Thursday at the Palace theater.

"Week-End At The Waldorf" At Palace Starting Sunday

Ginger Rogers, Lana Turner, in love with a popular cabaret entertainer, played by Ginny Simms. Charles Coburn portrays the gambler who eventually aids justice and averts a scandal.

The latter tells the story of a happily married couple whose blissful life is invaded by a quiet little secretary, played by Peggy Ryan, who has a very overactive imagination which she uses in writing a diary. Her boss, unknown to him, is the innocent hero of Peggy's diary.

E. G. Robinson in Marion Film

Starring with Joan Bennett in "Woman in the Window."

"Woman in the Window," starring Edward G. Robinson and Joan Bennett, and "Hangover Square" with Laird Cregar, Linda Darnell and George Sanders, will be shown in midweek Saturday through Monday at the Marion theater.

In the former, Edward G. Robinson plays the role of a psychologist whose wife and children are on a vacation when he meets a beautiful woman, the original of a widely-discussed painting on display in a Fifth Avenue art gallery. Things begin to happen and a murder is involved when the professor goes to her house for a visit.

"The Keys of the Kingdom," starring Gregory Peck and Thomas Mitchell will be shown Tuesday and Wednesday.

This is a biographically told story, presenting the life of old Father Francis Chisholm, who has a small church in the town of Tweedside, Scotland. The story opens in his parish house where the story of his life has been discovered by a man who has come there to visit.

"Mountain Rhythms" starring the Weaver Brothers and Elvira, and "Code of the Lawless" with Kirby Grant and Fuzzy Knight, will be shown Thursday through Saturday.

In the former the Weaver family decide to do their part in the war effort by going to the West Coast to take over one of the army there. The latter story deals with ranchers in the town of Pecos who are victims of a crooked ring of men.

Capt. John Pickere!
Speaks at Harding
Captain John Pickere, son of Mr. and Mrs. Anson E. Pickere, 324 Forest street, described a typical bombing mission over Tokyo to the students of Harding High school in a special Armistice Day assembly program in the auditorium Friday morning. A former bomber pilot, he has participated in several missions such as the one he described.

Included in the program was a flag salute by Jim Riley, songs by the vocal quartet consisting of Grace Bibbee, Pat Dearing, Jim Teitelbaum and Jack Robbins, a solo by Don Thomas and a poem read by Joyce Boyer who also is chairman of the student council assembly committee. Laurie Feaver played taps.

3,000,000 Families To Double Up Next Year
By The Associated Press
WASHINGTON, Nov. 10.—At least 3,000,000 American families—including those of 1,000,000 war veterans—must "double up" with other families in order to have living accommodations in 1946.

That's the outlook John B. Blandford Jr., national housing administrator, gave in a letter to mayors of all cities of more than 25,000 population.

Blandford declared families of veterans "won't find enough homes unless cities establish some system of organizing their housing supply and of giving veterans preference in turnover."

LOVE'S FAIR HORIZON

By ADELE GARRISON

"YES," Ollie replied slowly, and was happy in it. "Georges came in search for me, and he has told me many times that it was not only because I was so kind to him, but because he had loved me from the time he first saw me, a little girl at the Transvaan court. He told me that again just a few minutes ago before he left."

Georges must have been in his very best, she thought, which changed to anger as I noted the nuances of Ollie's voice.

Two Forces

It was as if two forces in it were struggling for mastery. Her heart wanted to believe every impassioned word Georges had whispered to her, while her common sense bade her look at them critically, and in the light of her knowledge of his temperament.

"Of course," she said, before I could speak, "I am quite sure he was talking nonsense, but he evidently not only wanted me to believe him, but was confident that I was grasping every word of his truth. So, I let him think I believed his romantic memory."

Crossword Puzzle

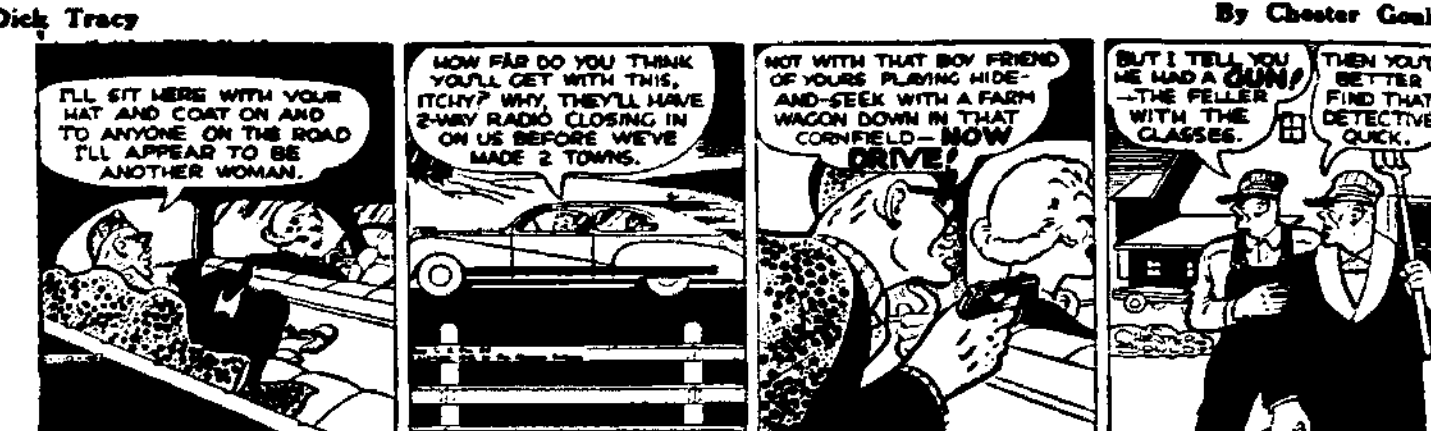

QUESTIONS AND ANSWERS
J. E. Wood: Would you please tell me if baking soda and lemon juice, used over a period of time, harm the stomach?
Answer: The continued use of baking soda probably would not harm the stomach but possibly would cause a condition known as alkalosis. It is best to use baking soda only under the direction of a physician. Of course, the lemon juice would not be harmful, and would supply an abundance of vitamin "C" and alkaline ash.
(Dr. Bandesman will answer letters containing medical questions only through his column.)

Lions Plan Bazaar To Help School Sight Saving Work

Two-Day Event Revived After Lapsing During War; To Be Nov. 14 and 15 in Star Auditorium.
Final plans for the charity bazaar which will be held Nov. 14 and 15 in The Star auditorium under the sponsorship of the Lions club were announced today. Members of the Lionsess will assist with the various booths and concessions.

The bazaar, which is being patterned after a carnival, has been revived by the club after being discontinued two or three years during the war.

The doors will open at 7:30 p. m. on both nights. Prizes offered at the various concessions include several hundred dollars worth of merchandise. Some of the prizes were purchased by the club, others have been donated by Marion merchants.

UNION WIELDS STRIKE THREAT

Auto Workers' Votes Big Factor in Wage Fight; GMC Not Optimistic.

A strike weapon has been forged by employees of the automotive industry's "Big Three"—General Motors, Ford and Chrysler—in support of their demand for a 30 per cent wage increase.

CIO United Auto Workers have emphasized that despite the big majorities in strike votes favoring a work stoppage if necessary to gain the union's demands, every effort will be made to settle the dispute peacefully.

Ford workers in a government-conducted election sanctioned a strike by an 11-1 margin, compared with the 8 to 1 approval by General Motors employees and 6 to 1 by Chrysler unionists.

Wage negotiations between the CIO-UAW and General Motors adjourned yesterday in Detroit and will be resumed Nov. 15.

Not Too Optimistic

"We can't be optimistic with a strike hanging over our heads," said H. W. Anderson, G. M.'s vice president.

Walter P. Reuther, CIO-UAW vice president, declared no progress had been made.

His comments followed union rejection of a General Motors offer of an eight to 10 per cent "cost of living" increase.

Stockholders of Higgins Industries, Inc., backed up Andrew Higgins Sr. in ordering out of court liquidation of the big New Orleans shipbuilding concern.

President Higgins and Morris Gottesman, secretary-treasurer, were designated liquidators to carry out existing contracts if possible. Gottesman said completion of an estimated \$5,000,000 worth of contracts would provide jobs for about 1,000 persons.

DEMOCRATIC WOMEN HIT LAUSCHE POLICY

COLUMBUS, O., Nov. 10 — Gov. Lausche was assailed last night by Ohio's Democratic women for placing more of them in important administrative posts in the state government.

Protesting he had awarded the chairmanship of the state liquor control board to Mrs. Maude McCune of Cleveland, a Republican, the Ohio Federated Democratic women adopted a resolution demanding administrative recognition.

Several members of the group also complained of Gov. Lausche's absence from the annual convention after Mrs. Lena G. Siferd of Lima, retiring president, called for formation of the resolution. The convention had said he would not address the group because of urgent business.

Mrs. Mary Watkins of Kent was elected president.

Big Three Parley Sandusky Man Dies in Crash

Seems Wise Step to Man-in-Street with Local Car

By DEWITT MACKENZIE, AP Foreign Affairs Analyst

The London press reported yesterday that it was likely there would be another meeting of the Big Three chiefs of state after the conference in Washington this week-end of President Truman, British Premier Attlee and Canadian Prime Minister Mackenzie King.

There not only is no confirmation of this report, but a spokesman for Mr. Attlee in London said that "as far as we know there is nothing in that report at all." Still, even if the story has no foundation, I think it's of great importance. It's important because it registers a general public desire—a belief that a meeting of the Big Three would ease the numerous crises besetting Europe and Asia.

Mr. Attlee himself, speaking just before setting out for America, made a declaration which is the key to public sentiment in this matter. He said it was his view that people must look to the United Nations and their close unity of purpose, "especially that between Britain, the United States and Russia," as a foundation of peace.

Have "Magic" Touch

That's what the public believes, too, and to the man-in-the-street, these three paramount powers are personified by Messrs. Truman, Stalin and Attlee. The little man-in-the-street believes this trio of great executive possesses the magic to pull the world out of its tail spin. He believes in the old adage that too many cooks spoil the broth. He thinks that the three heads of state by themselves can achieve what couldn't be accomplished by a dozen assistants who have to keep reeling questions back to headquarters and can't bargain on their own responsibility.

The biggest Allied decisions of the war were made in conferences of the Big Three. Sometimes bargains were involved. This was done by the chiefs of state—with the advice, of course, of their military experts.

It might be that the Anglo-American allies were about to undertake a big offensive. Stalin might say in effect: "Russia will guarantee to keep fifty divisions of Germans occupied on such-and-such a Soviet front for a month from the time you launch your drive." That sealed the pact.

Settled Disputes Then

The Big Three had their differences then. For instance Russia wanted the western Allies to invade France long before D-day arrived for Normandy. But those differences were absorbed, so to speak, in the conferences of the chiefs.

Naturally the exigencies of war made speedy cooperation vital. Delays might spell disaster. Today this urgency may not be so apparent—but it's there just the same. In Europe and in Asia there are developing dangers every bit as bad as many of those of the actual battle-front.

CATTLE BUYERS RACE TO GET TOP BEEVES

By The Associated Press CHICAGO, Nov. 10.—The race for top cattle continued the week with trade requirements ahead of supplies at every session.

A heavy consumer demand for beef prompted the rush. Around 6,000 head of choice cattle brought the \$18 OPA ceiling, topping the previous week's record by 1,000 head.

Corn fed receipts, which many traders had said would subside during the late summer, kept coming to the Chicago yards this week. One reason given for the long run is the fact that low average choice steers stand at the \$18 limit. Cattlemen said it does not pay to feed steers more than five or six months.

The trade also heard rumors that the government is planning to renew its set-aside orders on pork and cutter and canner beef because of an increase in relief exports to Allied nations. The war-time set-aside orders were removed a few weeks ago. Some sources said there was a small backlog of hogs but that it would not fill both domestic and foreign needs.

Little sorting for weight or quality was noted in the hog pens. Numbers were the chief concern of killers and anything with slaughter merit moved quickly at the \$14.85 and \$14.10 ceiling prices.

A recent trade survey of big packing plants which slaughter about 75 per cent of the total hogs dressed under federal meat inspection revealed that killing operations have almost doubled since the October low time. Hog slaughter last week amounted to 582,000 head compared with 315,000 head for the week ended Oct. 13.

(USDA)—Fed steers and yearlings closed steady to strong with trade uneven on lower grades. Good and choice fed heifers were firm with common medium and low-grade kinds 25 to 50 cents.

Good beef cows finished strong to 25 cents higher but all orders closed steady. Heavy slaughter calves sold 25 cents lower at \$12 down. Stockers and feeders closed steady to strong.

Good and choice slaughter lambs brought \$14.25 to mostly \$14.50 with common to choice slaughter ewes at \$5 to \$6.50.
